

Dashboard Recorder

AE-DC2018-K2

Specifications

Basic parameter	
Camera Resolution	1080P(1920*1080)
Recording Resolution	1080P@30 fps
View Angle	102°(H) , 56°(V)
Aperture	F2.0
Video Compression	H.265
OSD Overlay	Date, time
Picture Format	JPEG
Storage	1 TF card, Support for 16GB-128GB
Communication module	Wi-Fi
Sensor	G-Sensor
Interfaces	
USB port	Mini USB
Audio	Built-in MIC and speaker
General	
Working Temperature/Humidity	-20°C~70°C , 0%-95%
Power Supply	DC5V 1.5A
Power Consumption	≤3W
Weight	<100g
Dimension	78x36x52mm

Features

- Video: 1080P HD camera with horizontal 102 ° wide angle, diagonal 122 °
- Audio: microphone voice acquisition, speaker audio output;
- Communication: Built-in Wi-Fi module
- Video storage: support TF card storage, the maximum support for 128 GB, circular video, seamless connection does not leak seconds;
